NOTE: Please give more details than the examples shown. If you have nothing to report in a particular line, just type in "Nothing to report".

Hours Breakdown
(Meetings, events and activities that I've attended in my role, with a breakdown of hours)

There have been a variety of meetings throughout the month of August and while it would be impossible to break them all down in this report, the great majority of these meetings were dedicated to either Get Out The Vote plans and commitments or CAUS and CASA meetings. There was also a significant amount of meetings pertaining to the return to campus.

Highlights and Reflection on monthly activity
(Information of note, what went well, what did not)

The main highlights from the month of August surround the two Get Out The Vote campaigns that I have been spearheading (One for both the Federal and Municipal Elections). I have set dates and began confirming attendees for both the Federal and Municipal forums that I will be having on campus. We have also begun to create the tabling schedule for Get Out The Vote volunteers and I have booked and confirmed a contract with a shuttle company that will be taking students to the polls on the 20th.

Projects in Progress
(Projects that I am currently working on, who I am working with, what resources do I require?)

I have been working on lots of Get Out The Vote things with President Holly Kletke, other members of the Executive Council, a team of volunteers as well as engaging with and discussing the participation of the Southern Alberta Council on Public Affairs.

I have also been working with a Sexual Violence joint committee to deal with this important issue on campus and steps that we believe can make the campus community safer in regards to this issue.

I have also been working with the Lethbridge Youth Advisory Council to plan a joint youth and environmental townhall for the upcoming Municipal election.

Completed Projects
(Projects that I have completed, what went well, what did not, and why)

I have been completing pieces of the Get Out The Vote campaign but will ultimately still be spending a ton of hours on that throughout the month of September as well!

Challenges I've Encountered:

(eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.).

The main challenge has been trying to plan a Get Out The Vote campaign in a limited amount of time both in the sense of how fast this election is occurring but also because of the fact that for most of it, Students were not even on campus yet, and thus we want to try and deliver as much as possible in the week and a half that we have with them on campus.

It has also been a challenge to plan these events without being fully aware of how Covid numbers could end up changing the delivery of the event and dictating who would be allowed to attend it.

Goals I've Accomplished this Month:

(kept up with regular duties &/or accomplished additional goals)

As mentioned previously the main accomplishments of this month have been the completion of smaller parts of the large project that is, Get Out The Vote, which will continue into September, and in the case of the Municipal election, continue into October as well.

The Sexual Violence Joint Committee has also been able to accomplish alot over the month of August and we are now moving into the phases of executing the next phases of out plans.

MOVING FORWARD

Current or Upcoming Tasks:

(upcoming activities or tasks I will be participating in or spearheading, possible timeline of completion, who will I be working with).

At the risk of sounding like a broken record, continuing forward, Get Out The Vote will continue to dominate the majority of my time, especially in the beginning three months of September which leads us into the Federal Election. Upon the completion of the Federal Election on September 20th, there will be a small period of time for people to catch their breath a but before we start into events for the Municipal election.

Goals for Next Month:

(What I would like to accomplish next month as a ULSU representative)

A successful and impactful Get Out The Vote campaign which bring a large amount of students to the polls and gets them to be engaged voters.

Important Dates/Deadlines:

(important deadlines related to my goals or position).

September 14th- Federal Candidates Forum
September 20th- Federal Election
September 23rd- General Assembly meeting
