The Education Representation on the ULSU General Assembly is always a member of the EUS Executive. This year it just happens that Blaine is also the President of the EUS.

- EUS Executive Meetings October 6th, 13th, 20th, 27th (4hrs)
- Faculty of Education Meet and Greet Virtual Event on October 14th (1hr)

Odds and Ends

- Over the past month I also had many conversations with various General Assembly members, to get background information, make connections, and better understand the flow of the council, especially jumping in at a later point.
- Discussions and shared concerns about the forced vaccination policy implemented by the University.
- It's been a lovely time jumping in and working with amazing people at the SU, Faculty of Education, and the greater University Community
