Highlights and Reflection on monthly activity

(Information of note, what went well, what did not)

October was a good month, got a fair amount done although academically, things were picking up for sure compared to September. Put in many club work hours
Sitting on committees, I believe my contributions to both of these activities added value for the students at the University of Lethbridge.

Projects in Progress

(Projects that I am currently working on, who I am working with, what resources do I require?)

Currently Working on the comprehensive updated actuals revenue and expenses record for the clubs
Helped the Students who won the IMCC case competition prepare for it and they ended up winning.

Completed Projects

(Projects that I have completed, what went well, what did not, and why)

Council Report.
Put heavy work into financial management for the DBSA, which certainly adds value to the Dhillon degrees and ensure that they are also well appointed with the ULSU's value as well. I sent many students to pick up the day planners, which help heavily with the recondition of the ULSU on campus!

Challenges I've Encountered:

(eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.).

Not too many struggles besides academic overload along with everything else this semester

Goals I've Accomplished this

Month:

(kept up with regular duties &/or accomplished additional goals)

Club Management

Properly balanced academics and professional efforts! (YEAH!)

MOVING FORWARD

Current or Upcoming Tasks:

(upcoming activities or tasks I will be participating in or spearheading, possible timeline of completion, who will I be working with).

Ensure I can obtain more people as needed for the DBSA

Help with the Strategic planning committee on reviewing and adding further value to the ULSU's Strategic plan

Goals for Next Month:

(What I would like to accomplish next month as a ULSU representative)

Continue the current tasks I am working on and optimize the student experience by bringing more people to the awareness of the ULSU through

Important Dates/Deadlines:

(important deadlines related to my goals or position).

Nothing to Report.
