Hours Breakdown

(Meetings, events and activities that I've attended in my role, with a breakdown of hours)

During the month of May, I attended a few meetings. These included two GA meetings, Arts and Science curriculum meeting, and an executive accountability meeting. I also had a one on one meeting with Holly discussing my transition into my role as an arts and science representative. I also virtually attended part of the GA retreat.

Highlights and Reflection on monthly activity

(Information of note, what went well, what did not)

The meetings turned out to be informative and efficient. The current and previous members of the ULSU made it very easy to adjust into this role.

Due to covid, a few exciting events got cancelled such as fresh fest and the new student orientation.

Projects in Progress

(Projects that I am currently working on, who I am working with, what resources do I require?)

Nothing to report

Completed Projects

(Projects that I have completed, what went well, what did not, and why)

Nothing to report

Challenges I've Encountered:

(eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.).

I found it a little challenging working in all the meetings and commitments into my schedule but with time and some help from the GA, I have found the transition to be going a lot better.

Goals I've Accomplished this

Month:

(kept up with regular duties &/or accomplished additional goals)

Kept up with regular duties and took steps towards introducing beneficial resources to students.

MOVING FORWARD

Current or Upcoming Tasks:

(upcoming activities or tasks I will be participating in or spearheading, possible timeline of completion, who will I be working with).

Mental health week volunteering
Volunteering during Halloweek
Committee meetings and GA meetings
More meetings with anti racism project coordinator

Goals for Next Month:

(What I would like to accomplish next month as a ULSU representative)

I am currently planning on collaborating with the anti racism project coordinator of the Federation of Black Canadians in an exciting project. I attended a meeting in which they shared that they were putting together a toolkit that will aid students (especially students of colour) in navigating challenges they may face in the education system. I thought it may be a great idea to make share this toolkit with students at our campus and I might also aid in gathering some data for the toolkit.

Important Dates/Deadlines:

(important deadlines related to my goals or position).
